

Crossplane

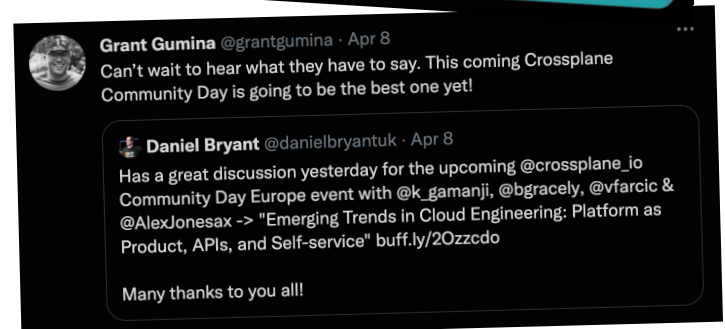

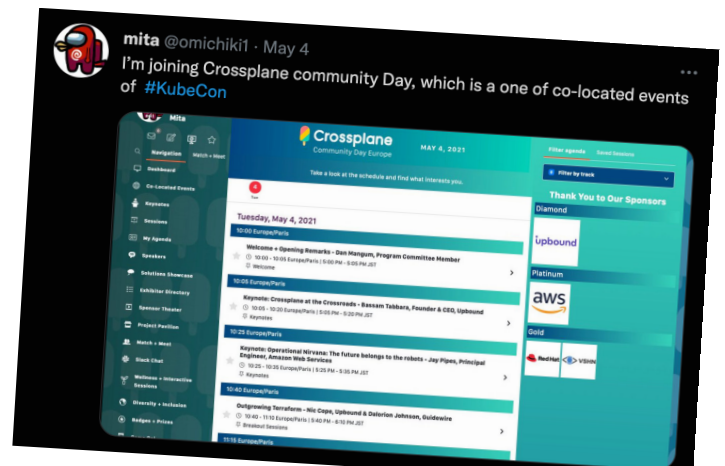

Community Day Europe

May 4, 2021 | VIRTUAL

OVERVIEW

Crossplane Community Day Europe (#Crossplanneday) is designed to foster collaboration, discussion and knowledge sharing of Crossplane, a CNCF project which extends the Kubernetes API to manage and compose infrastructure from multiple cloud vendors and infrastructure providers. Topics include getting started with and adopting Crossplane, scaling and managing Crossplane across clouds, securing applications with Crossplane, lessons learned from production deployments, technical sessions from Crossplane maintainers and thought leadership from both the Crossplane and Kubernetes communities.
