

fluentcon

NORTH AMERICA

OVERVIEW

FluentCon is a vendor-neutral conference on log and metric collection with Fluentd and Fluent Bit. Topics include running the technologies in production, general observability, getting started, and the future of how collection is evolving.

TWEETS

Jonah Kowall
@jkowall

Talk is done to wrap up Fluentcon today, really good content and discussion. Looking forward to drinks tonight and Kubecon keynote tomorrow!

Logz.io @logzio · Oct 1
