OVERVIEW

GitOpsCon North America (#GitOpsCon) is designed to foster collaboration, discussion and knowledge sharing on GitOps. This event is aimed at audiences that are new to GitOps as well as those currently using GitOps within their organization. Get connected with others that are passionate about GitOps. Learn from practitioners about pitfalls to avoid, hurdles to jump, and how to adopt GitOps in your cloud native environment.

Another end user presentation at #GitOpsCon! Great to see all these stories: "A Day in the Life of the GitOps Platform Team" by Mae Large & Priyanka Ravi from State Farm.

Chris Short (3x COVID-19 Vaccine Champion)
@ChrisShort

#GitOpsCon content is amazing. So happy to be a part of this. Stick around for the panel later.
