

KubeDay

JAPAN

OVERVIEW

CNCF hosted its first KubeDay event in Japan to connect international and local experts in global cities with adopters, developers, and practitioners to promote face-to-face collaboration and deliver rich educational experiences. The new event series was targeted toward specific geographical regions experiencing community expansion and served to engage the leaders of Kubernetes and other CNCF-hosted projects as we set the direction for the cloud native ecosystem.

ATTENDEE DEMOGRAPHICS

DIVERSITY & INCLUSION

CNCF strives to ensure that everyone who participates in our events feels welcome, regardless of gender, gender identity, sexual orientation, disability, race, ethnicity, age, religion, or economic status. KubeDay Japan was awarded the Gold CHAOSS badge in recognition of fostering healthy D&I practices.

CNCF awarded 3 registration and 6 travel funding scholarships through the Dan Kohn Scholarship Fund.
