KCD UTRECHT 2023

TRANSPARENCY REPORT

KUBERNETES
Community Days
Utrecht • 2023

FOREWORD

KCD Utrecht went bigger than planned

What started as a small cozy event with one track, became a medium sized one, with almost double the attendees and two tracks!

We are proud of what we achieved and can't wait to share more about it.

STATISTICS

Despite the little time to organize in Utrecht, it's amazing to see how our conference has grown since its start in 2019. We are proud of the progress we have made in providing valuable insights and building a vibrant and growing community. Our volunteers number almost doubled since last time.

ORGANIZATIONS

We were thrilled to see the diverse representation of organization types at our event, ranging from end-users to consulting firms and vendors.

The wide range of attendees reflects the growing interest and adoption of cloud-native digital infrastructures and Kubernetes across different sectors of the industry.

- We will donate part of the funds to a charity next year and use the remaining funds for our next KCD in 2024!
- By targeting the local community we ensured to minimize the environmental impact of travel, encouraging train as mean of transport (venue was very close to Utrecht Centraal Station)
- As part of our commitment to responsible event management, we chose [vegan catering](#) to minimize environmental impact. [Less than 5%](#) of food waste was generated at the venue, reflecting our dedication to sustainability.

WHAT ATTENDEES SAID

- “ Interesting, well organized and super friendly atmosphere, I learnt quite a bit about k8s!”
- “ The best event I have attended in the Netherlands, I love how everything was organized. I liked the people and the opening Keynote
- p.s. fruits and vegan pastries pleasantly surprised me!”

“

It was very fun and (as a sponsor) there were lots of opportunity to get in touch with talented engineers.
