OVERVIEW

KubeDay events connect international and local experts in global cities with adopters, developers, and practitioners to promote face-to-face collaboration and deliver rich educational experiences. This new event series is hosted by CNCF and targeted toward specific geographical regions experiencing community expansion and interest. Engage with the leaders of Kubernetes and other CNCF-hosted projects as we set the direction for the cloud native ecosystem.

DIVERSITY & INCLUSION

CNCF strives to ensure that everyone who participates in our events feels welcome, regardless of gender, gender identity, sexual orientation, disability, race, ethnicity, age, religion, or economic status. As part of our deep commitment to diversity, equity, and inclusivity, we apply for a CHAOSS D&I event badge, which is awarded to events in the open source community that fosters healthy D&I practices. KubeDay Singapore was awarded a Gold badge.
