TRANSPARENCY REPORT

KCD Guadalajara stronger than ever

On Saturday, March 29, 2025, Guadalajara hosted the cloud-native technology event of the year, Kubernetes Community Day 2025. This extraordinary gathering brought together over 200 professionals, enthusiasts, and experts in Kubernetes and cloud computing, fostering an atmosphere of innovation and collaboration. With more than 30 international speakers from Spain, Costa Rica, the USA, Colombia, Brazil, and Guatemala, alongside our fantastic local speakers, we experienced an incredible day sharing knowledge.

KCD Guadalajara was a remarkable success since it does cover gaps of sharing knowledge on K8s related solutions at LATAM region between experts and eager persons that wanted to learn.

Victor Jimenez

Had an amazing time at KCD Guadalajara. A great opportunity to learn, network, and explore the latest in cloud-native technologies. Thanks to everyone who made this event possible!

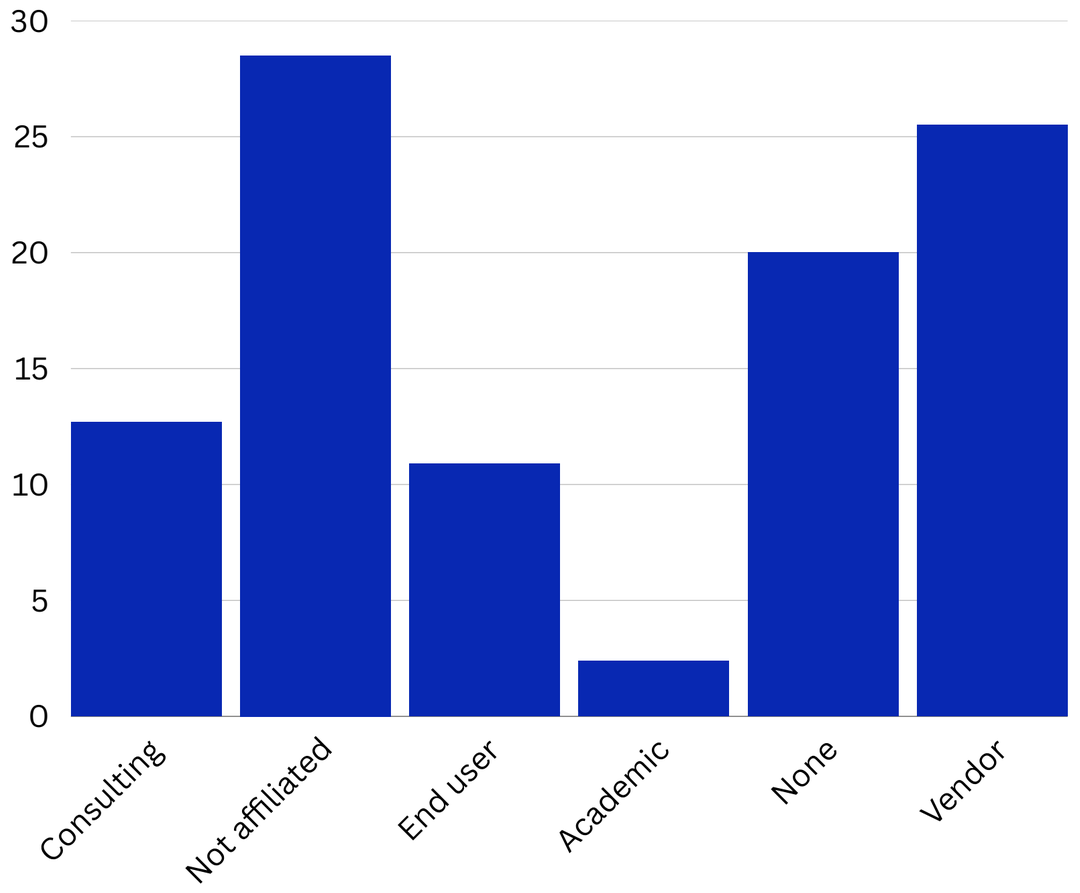
ORGANIZATIONS

We were thrilled to see the diverse representation of organization types at our event, ranging from end-users to consulting firms and vendors.

The wide range of attendees reflects the growing interest and adoption of cloud-native digital infrastructures and Kubernetes across different sectors of the industry.



CONTRIBUTIONS

We took steps to promote sustainability by using recycled paper with seeds so a plant can grow from the badges and swag bag.
